## Jason Wallace Elected New TACP-A Vice President

On February 21, 2017, long time TACP Association Vice President Troy Lundquist made the difficult decision to resign.

A new career outside of the Air Force and substantial family commitments left Troy without the extensive amount of time TACP Association board members need to dedicate.

“I love what we do and how we support our community,” said Troy.

“Although I am stepping down as VP, I will continue to serve.”

Troy Lundquist served as Vice President since 2010 and was instrumental in transforming the Association into a first class non-profit veteran’s organization.

On February 24, 2017, Jason Wallace was elected new TACP Association Vice President.

## 24-Hour Challenge

The annual 24-Hr challenge kicked off this year March 30th and concluded on March 31st.

The 24-Hr challenge is the TACP Association’s largest yearly fundraiser.

Team Omega was this year’s highest fundraiser reaping an amazing \$18,443 in donations! Way to go Team Omega!

A hearty congratulations goes out to Team Hood for logging the most miles. Team Hood team members

Mr. Wallace received overwhelming support for the position.

“I am honored to be asked to serve this great organization and help to give back to the community,” said Wallace.

“Charlie did a great job getting the association to the level we are at, our challenge is to continue to improve it. I am looking forward to working with Marcus and the community to continue the great work the association has done.”

Jason Wallace has served diligently as a board member since 2010 where his judicious council and vast experience has been tremendously valued.

The TACP Association looks forward to seeing what its exciting new leadership duo can accomplish!

trekked an incredible 2674 miles in support of this event. Kudos to the Ultra Winner, Brad Compton from Team Indiana, who single-handedly ran a grueling 100 miles.

In total, \$113K was raised for the Association!

We can't thank you enough for all the support! Without it, we wouldn't be able to do the things we do.

There will be an awards presentation at the TACP Reunion and Memorial Rededication in June.

**A Thank You to the TACP Community from the Schroeder Family**

Dear TACP Association,

Thank you so much for the kindness and care you extended to our family at the time of my husband's death.

With a grateful heart I am excited to say that I am in the process of purchasing a house for our family in Florida near Hurlburt.

I am using the entire Fundly account that the TACP Association started on our behalf as a down payment.

This would not be possible for us without all of the hard work TACPs do each year to fundraise money that benefits our military community and families like mine.

We are so excited to begin this new adventure and live in our "forever" home near the beach!

Gratefully,

Abby, Noah & Mason Schroeder

**Editor's Note:** Lt. Col. William Schroeder, 342nd Training Squadron Commander, was tragically killed in a murder-suicide at Joint Base San Antonio-Lackland in April 2016.

**TACP Association Members Support Air Force Enlisted Village**

On April 15th, 20 members of the TACP Association and Air Force Special Operations Command community graciously

volunteered their valuable time to put a little "tender loving care" into the Air Force Enlisted Village (AFEV).
