

TACP

## About TACP Association

Tactical Air Control Party has always been one of the smallest careers in the entire scope of the Armed Services. It is our small size that has created the camaraderie upon which our Association is based.

We promote a warrior spirit among the TACP community by sponsoring and coordinating events in which TACPA members celebrate our career field. Together as a community, we remember the Fallen, honor the living and support TACP families.

### TACPA GIVING 2019

\$126,376

35 *past and present TACPs and their families supported*

## Helping Our Community

### Gold Star Family Support

TACPA presented Lauren Bosch, daughter of SSGT Brian Daly, with a \$20,000 check as part of our TACP family support program, which recognizes major life milestones.

### Memorial Support

TACPA supported 9 ASOS Airmen with travel expenses to attend the memorial services of a fellow TACP.

### Scholarship Support

TACPA distributed four scholarships totaling \$12,000 in support to the TACP community.

## REMEMBER

In the last three decades, 12 members of the TACP community have been killed in combat or training.

As the TACP Association, it is our duty to remember them and honor their sacrifice. We do this through memorial services, events and monuments.

## HONOR

We are committed to supporting the families of TACPs that have been killed in combat, accidents or other tragedy. We honor the Fallen by caring for the living.

We support TACP families with scholarships and Gold Star family grants.

## SUPPORT

The TACP Association supports its members in times of adversity through immediate needs grants that cover medical, housing, transportation and bereavement requests.
